Race Day Displays are available to reach potential customers and increase brand awareness by displaying your name and product(s) to 30,000 loyal race fans. Orange County Speedway display areas are available for all race weekends and offer a wide range flexibility to meet your needs. OCS has a display area for every client's needs. Whether you are looking for account activation, coupon distribution, sampling within your display, gathering customer data or exit sampling we can design a package to meet your specific needs.

Program Advertising offers you the chance to reach potential customers by advertising in a collectible souvenir program. The souvenir program contains important race information, schedules and other items of interest.

Event/Division Sponsorship – Orange County Speedway offers a variety of event sponsorship opportunities that are customized to help you achieve your specific marketing objectives. In addition to being the home to 8 local divisions racing 15 weekends annually, OCS also hosts a multitude of other regional and local events designed to promote all our sponsors including car shows, rally cross, bicycle races, Orange County Relay for Life, scouting and school events as well as racing events hosted by National touring series. Regardless of the size of your budget, we can customize a program that will help you reach your objectives while staying within your budget.

Signage opportunities at Orange County Speedway offer you the opportunity to reach potential customers and increase your brand awareness by exposing your product to local grassroots racing fans. On race weekend, spaces are available at the front entrance, around the outside of the track, on the flag stand as well as renting a bill-board located in Turns Two and Three.

Large promotional inflatable items may be displayed on a season or weekend basis.
