

# Orange County Speedway Racing, LLC

## TIRE PROCEDURE

**Note: Teams will not be permitted to pre-measure tires. No race tires will be mounted until race day. OCS uses Hoosier Race Tires.**

### Tire Requirements:

**For the first race, all cars must buy 4 new tires.** All other races are as follows:

1. Late Model – requires 4 new tires for every race *or* 4 scuffs may be purchased from Track scuff pile.
2. Limited Sportsman – requires 2 new tires for every race.\*
3. Grand Stock –must purchase a pill to race to receive 4 scuff F45 tires .
4. Pure Stock – requires 4 new tires for first race.

**\*Scuffs may be purchased from the track. Scuffs will be inspected by OCS Tech Officials.**

### Procedures:

Tires will be located at the Tire Shop. Competitors will complete the Tire Selection Form denoting size & number of tires needed. Available F45 tires sizes will be 85 ¼, 85 ½, and 85 ¾. Please check the board at the tire shop for sizes of other tire types.

Tire Selection Forms will be available at pit entry gate and tire shop. Turn forms into the tire shop office upon completion. Teams may leave their rims on Thursday before race to dismount tires only. Teams with limited crews may complete tire selection form on Thursday and leave at tire shop (This was initiated to assisted teams with limited crew members. Should this procedure become a problem or abused, it can quickly be discontinued). Orders without payment will be placed into the race day order. Staff will alternate between pre-orders and race day orders until all orders are filled.

**Teams will not select tires, nor will they be allowed inside tire shop on race day or any other day.**

Tire sizes will be randomly pulled by track officials and mounted.

Any tires purchased on race day, must be used on race day, unless there is a rainout. In the event of a Rainout, tires will be held in impound at the tire shop until such time as the race can be held. Mounted tires cannot be returned or traded in for new tires.

The Tire Impound will only be open on race day.

## Example

**Note: Tire Order Form must be completed in its entirety. Tires will be paid for at time of purchase. Forms without full payment will not be processed.**

OCS Tire Selection Form		
Tires will not be pulled with incomplete forms. Tires must be paid for at time order is placed.		
Car # _____	Division: _____	Driver: _____
All tires mounted all rights. Select Tire Choice. Indicate the number and sizes of the tires needed. No exchanges!
